1. Wooden frame:	we use the high dried solid wood for exportation, any wood with humidity higher than 16 degree
2. Foam:	we all use high density foam(D40-45 for cushions and D30 for back and armrest), we never use recycle foam for any part of sofa even it can lower the cost.
3. Fabric:	All fabric selected pass the relative test like rub test, color fastness test. Tremendous options including cotton, linen and synthetic material.
4. Others:	we use no-sag sinuous spring +bandage
Warranty	10 year for sofa wooden frame, 2 year for the fabric/leather
